

# A WORKSHOP FOR HEALTH PROFESSIONALS

---

**Doctoral candidate Arild Berg**

School of Visual Culture/University of Art & Design Helsinki

**Professor Britt-Maj Wikström**

Akershus University College. Docent, The Karolinska Institut Stockholm

**Associate Professor, RN, Mette Holme Ingeberg**

Akershus University College

## **Background: The Meaning of Aesthetics**

- Visual art as a communication tool with patients
- A pedagogical model for communication via visual arts
- Degree of complexity in the chosen art works

The pictures above are examples from an art intervention at Akershus University Hospital.
